### *FOND FAREWELL*

Production Assistant, John Bujack is leaving SWOCC Studios after two years of service. We wish John the best of luck in his future endeavors!

### *New Year ,New Shows*

Novi production is underway for the new year. New show, *Anatomy of a City*, will be showcasing departments of the city and how they Function, and *Novi Nightlife*, which will feature fun and exciting places to see and visit after the sun goes down. The city of Farmington Hills is currently producing *Down To Earth*, a show which will take a look at environmental issues within the community. Be sure to look for them to hit the government channels in February and March !
