Commission

SWOCC Studios will cable cast a forum on the current ballot proposals before our November 7th State election.

By producing a ballot proposal program, SWOCC Studios continues to provide the most detailed information concerning government relations for the communities of Farmington, Farmington Hills and Novi. This is the first time we have done this and only Proposals 2 and 4 attracted both sides of the issue to complete the show.

The public does not have many opportunities to read up on the proposals and sometimes might not know whether to make an educated decision on voting "Yes" or "No." This program will give the information on each Proposal and also provide both sides to the issue so the voter can make the best individual decision.

This program will cablecast on the following:

Channel 8

Sunday, 11:09 a.m.

Monday, 11:33 a.m. and 4:40 p.m.

Tuesday, 1:50 p.m.

Channel 15

Sunday, 9:56 a.m. and 8:43 p.m.

Monday, 7:06 a.m. and 4:56 p.m.

Tuesday, 5:15 p.m.

This program is just another example of the many wonderful community services that SWOCC has to offer and why Community Access is a very important resource for local information.
