SWOCC STUDIOS 5TH ANNUAL "OPEN HOUSE SWOCC-Tacular"

It's time to get involved with your community and SWOCC Studios is here to help you do that through the magic of Community Access Television! This year's fifth annual "Open House" is a Halloween SWOCC-Tacular on Tuesday, October 24 from 4 p.m. - 7 p.m. Join us and see the exciting world of video production.

This year's Halloween theme will provide a night of fun for the whole family. There will be a costume contest for the kids and a chance for them to be on TV!

Do you ever wonder how television works? If so, then you do not want to miss this amazing opportunity. The SWOCC staff will show you the facility, answer questions, and give you a behind-the-scenes look at how to produce your own show! It's hard to believe that the programming you watch everyday on four cable channels (Farmington Hills 8, Info TV-12, Novi 13, & Farmington 15) comes directly from this facility- right in your own neighborhood!

You can't miss our green, 10,000 square foot building on Nine Mile Road, just east of Farmington Rd. Munchies, socializing with your neighbors, meeting people in your community, and learning how you can communicate with your friends through TV will highlight the evening. So spread the word and invite your friends, family, and co-workers to join us for this event Tuesday, October 24, 4 p.m. - 7 p.m.
