

Representative Nofs is introducing a bill which hurts local control in franchising. This bill would have a severe negative impact on public access.

So we need to make calls, emails and faxes TODAY! Your State Representative's phone number is located at <http://house.mi.gov>. If you need assistance please contact me or see me.

I have attached a phone script that will help you dictate the key points when you call your Representative's office. I have also attached an email template for you to copy and paste into your own email. Please add your Rep's name and your home address to the template and then send it.

I have taken the liberty to look up a few of the Representatives for Farmington, Farmington Hills and Novi.

Novi

Craig DeRoche (Speaker of the House) P: 517-373-0827
Email: craigderoche@house.mi.gov

Farmington/Farmington Hills

Aldo Vagnozzi P: 517-373-1793
Email: aldovagnozzi@house.mi.gov

Reps will especially listen to the people who vote in their specific district. So spread the word and contact your friends and family about this!

Thanks!
